

CITY COUNCIL MEETING
January 5, 1994

COMMENT BY SIEGLOCK ON COUNCIL POLICIES AND PROCEDURES; REQUEST FOR
REPORT ON ADOPT-A-PARK PROGRAM; REQUEST LOOK INTO PAINTING CLEAR LINES
ON DRIVEWAYS NEXT TO LODI LAKE PARK

Mayor Sieglock agreed with Council Member Davenport that the Council policies and procedures will most likely die and reiterated that this was a Council-generated direction. Mayor Sieglock requested that the Parks and Recreation Director give a brief report to the City Council at a future meeting regarding the new Adopt-A-Park Program. The Mayor commended the Fire Department for the Christmas fire truck, and stated that the City had received many letters in support of the program. Mayor Sieglock also praised the Recreation Commission for not putting a fence around Lodi Lake. Most of the residents he spoke with were very opposed to the fence; although, most were not opposed to a temporary fence during special events. Some of the area residents also expressed thoughts about having more patrol at the lake and that there are parking problems they would like to see addressed. Mayor Sieglock asked Public Works Director Ronsko to look into painting clearer parking lines especially in front of residents' driveways. Mr. Ronsko responded that staff will look into the matter.

Mayor Sieglock informed the City Council and the public that at the next Shirtsleeve Session of January 11, 1994, the City Council will be reviewing the budget which reflects the last changes that the Council made, the Teeter Plan, increased sales tax monies, etc. and asked the City Manager to comment on the matter.

City Manager Peterson stated the Council will conduct a mid-year review of the budget reflecting these various changes. The revised budget document is scheduled to be printed by the end of this week. Mr. Peterson invited the members of the City Efficiency Study Committee to attend the meeting.

Currently, parking is prohibited on Laurel Avenue between the hours of 9 p.m. and 8 a.m. The Laurel Avenue residents asked my staff to pass on to you their request that Police Officers routinely check for illegal parking when they are out on patrol.
